Fun Facts!

Donald Duck's middle name is Fauntleroy.

The phrase "rule of thumb" is derived from an old English law which stated that you couldn't beat your wife with anything wider than your thumb.

Every year more people are killed by donkeys, than in aircraft crashes.

No word in the English language rhymes with mouth, orange, silver, or purple.

One year, Elvis Presley paid 91% of his annual income to the IRS.

A donkey will sink in quicksand but a mule won't.

A duck's quack doesn't echo, and no one knows why.

LibreOffice

LibreOffice formerly known as OpenOffice, still remains the prime choice when it comes to freeware office suites.

For both the average and the more advanced user the writer is easy to use and very productive, and it offers all the tools they will ever need. The spreadsheet editor, just like the writer, is very easy to understand. The only downsides to LibreOffice is that a few of the more basic options can be hard to find for users that are not that advanced and are looking for a good alternative to Microsoft Office (for instance, double spacing).

Overall the good outweighs the bad and all modules of LibreOffice are spectacular alternatives for those that don't wish to fork out the big bucks.
